European
Social Fund

The council is supporting **Kirklees Digital Hubs** run by local community organisations to make sure that access to devices, spaces and digital skills are available to everyone, as part of this there is a device loan scheme.

Chromebooks and MiFi are available for adults who are digitally excluded, to help combat loneliness, improve health and wellbeing and access learning opportunities, such as our free courses for adults.

We want everyone to understand how digital can benefit them, gain the skills and get connected. Borrowing devices can be an excellent way of trying new things and improving your skills, build your confidence and getting online. You will be better informed, more independent and less isolated.

For more information please visit: [Digital access and skills training during COVID-19 | Kirklees Council](#) or email digital.hubs@kirklees.gov.uk
