Community Conversations:

"Carers matter - listening, learning and improving together"

Date: Monday 30 November

Time: 11am-1pm

Venue: Carers Count, 4th Floor, Empire House, Dewsbury, WF12 8DJ

Hosted in partnership with Carers Count, the session will provide an opportunity for carers to share their experiences, discuss what matters most to them, and help shape future priorities for carer support. We will explore what works well, what challenges carers face, and what changes would make the biggest difference.

The Community Conversations programme has been developed to strengthen how the Trust listens to, learns from, and acts on the experiences of local communities.

Your voice matters. Come along, share your views, and help influence how organisations can better identify, involve and support carers across our communities.

For more information or to register your place, contact
